

# MASSACHUSETTS PAVILION

hosted by

Massachusetts Office of International Trade & Investment

**—CeBIT is the leading international trade show for digital solutions, trends, and innovation—**

Office Automation - Information Technology - Telecommunications

Hannover, Germany

March 3-8, 2009

CeBIT 2009 will attract an estimated 500,000 visitors from around the world (over 20% non-German), making it the largest and most reputable information technology trade show. Over 6,000 exhibitors from 77 countries will be represented at CeBIT. An estimated 50% of the visitors are IT decision makers who represent various industry sectors. Highlights for 2009 include eHEALTH, internet and mobile solutions, and eLEARNING, which will be addressed in the CeBIT Global Conferences. (Complete detailed information in English is available online at [www.cebit.de](http://www.cebit.de).)

The Massachusetts Office of International Trade and Investment Boston/Berlin is ready to coordinate your participation at CeBIT 2009. By providing many services ourselves, we offer the most competitive price possible. We will provide the participating companies with a turn-key facility including
